The link takes you to the following pages as a how to guide to using the website.

1 Free eBook library This eBook library is available to all registered subscribers of *Oxford Owl for School* and contains a large range of tablet-friendly eBooks.

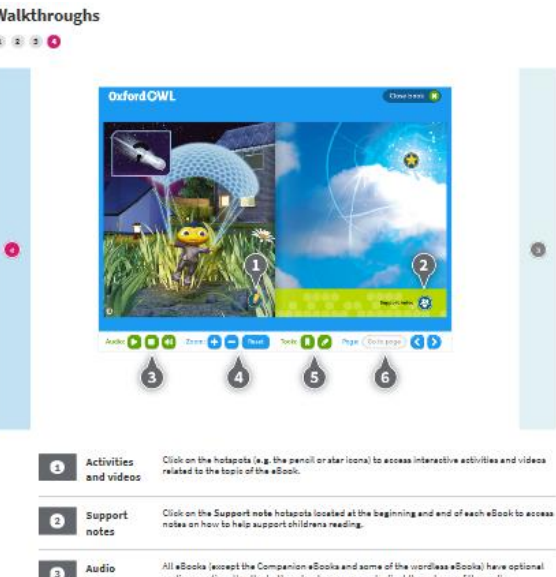

1 Accessing eBooks Children can access the eBooks collection by clicking on the **My class login** button on *Oxford Owl for School* and entering the class login details you set up. All eBooks will automatically feed into the classes you have set up. Click **Log out** to return to *Oxford Owl for School*.

1 Search area Type keywords into the search bar or use the filters and click **Search** or press **Enter** on your keyboard to view a list of eBooks matching your chosen criteria.

2 Filtering You can use the filters to narrow the search results to resources relating to a specific age group, series, level or book type. You can clear your current filters using the **Clear filters** button. Always remember to click **Clear filters** before beginning a new search, to ensure that you are searching all of the available files.

3 Supporting resources Hover over an eBook to see more information about it and to access supporting resources, e.g. a curriculum coverage chart.

1 Activities and videos Click on the hotspots (e.g. the small or star icons) to access interactive activities and videos related to the topic of the eBook.

2 Support notes Click on the **Support note** hotspots (located at the beginning and end of each eBook) to access notes on how to help support children's reading.

3 Audio All eBooks (except the Companion eBooks and some of the wordless eBooks) have optional audio narration. Use the buttons to play, pause and adjust the volume of the audio.

4 Zoom Use the zoom buttons to enlarge the text or images. Click 'Reset zoom' to return to the standard view.

5 Tools Click on the bookmark icon to add a bookmark for a specific page that you might want to return to. Click on the pencil icon to access the annotation tools which allow you to highlight text and add notes.

6 Navigation Type in a page number or use the arrows to move between pages of the eBook.
